## Description

Rural countryside meets urban city styling with the attractive Haze Industrial line! Combining a modern, square seat with a curved, rectangular back that cradles the spine for comfort, this chair provides patrons with a way to relax after a long day and enjoy your most popular offerings. It meshes the warm, natural look of wood with rugged, metal components for a vintage yet trendy, industrialized appearance that guests are sure to love.

This chair's seat, back, and legs are made of solid wood that's finished with an antique walnut stain, making it both eye-catching and easy to wipe down in between guests. The dark gray metal frame and foot rest ensure a stable foundation and help to reduce the pressure on guests' legs as they sit, promoting superior comfort. The feet are capped with plastic glides, helping to protect floors and keep unwanted noise to a minimum.
